COMPILED BY F. C. BARGER & CO.,

Following this you will find a RECORD of the DAILY RECEIPTS of EGGS in this market, and highest QUOTATIONS for best WESTERN, fresh and limed, during eleven years commencing January 1st. 1880.

We do not offer it as a guide to future operations, as there are many circumstances, other than the receipts and prices, which play important parts in governing the direction of the market. The supply of available stock, the value of other kinds of food, the condition of trade and business generally, as well as the weather, often exert a great influence. It does, however, under normal conditions, indicate the general tendency of the market, as will be observed by comparing the records of several seasons.

Trusting it may prove of interest to you, we remain

25.3

Yours respectfully

F. H. Bargerhoff
